

Guide to using the “Socrative Student” app

If using the “Socrative Student” app in class, you must take the following steps.

1. Download the “Socrative Student” app for Android or iOS, and open it. You will see a screen like the left one below. In the “STUDENT” dialog, enter the Room Code “calc2” and select “JOIN ROOM” as in the center screen below. You should now see a screen like the right one below. Now, you are ready to respond to the quiz when it becomes available.

2. When the quiz becomes available, you will see a screen like the left one below. Enter your name in the format *Last Name, First Name* then select “DONE”. **You must enter your name or else you will not receive credit for your response.**

3. Now, you will see answer choices for the current quiz as in the left screen below. Select your answer choice as in the center screen below, then select “SUBMIT ANSWER.” You will see a screen indicating that your response has been received like the right one below. Your quiz average will be periodically updated throughout the semester on BlackBoard.

 1 OF 1

7.3: Trigonometric Substitution

A	<input type="text"/>
B	<input type="text"/>
C	<input type="text"/>
D	<input type="text"/>
